

# CHAMPION

Soil conditioning fertilizer

SOIL CONDITIONER  
FOR CHAMPIONS

*Abundigro Champion* contains 100's of beneficial compounds for the promotion of plant and turf growth, health and stimulation of nutrient uptake.

#### INCLUDING:

Proteins, amino acids, antioxidants, plant growth hormones, complex carbohydrates, calcium, magnesium, zinc, and A, C, E, B-vitamins.

#### SHAKE WELL BEFORE USE

Shake well before use  
Store at room temperature  
Keep out of direct sunlight  
Keep container closed when not in use  
Triple rinse once decanted

Product approved for use in organic farming according to EEC889

**UN NO.: NOT REGULATED**  
**SEE CONTAINER FOR BATCH DETAILS**  
**COUNTRY OF ORIGIN: REPUBLIC OF SOUTH AFRICA**

Approved for use in organic systems in accordance with EC regulation 834/2007 and 889/2008 by Organic Farmers & Growers.

Batch No.:  
Expiry Date:

## BIOLOGICAL INGREDIENTS:

<b>Protein Hydrolysate</b>	The highest quality nitrogen for plant growth and microbial support. Full natural Macro and Micro nutrient spectrum. Support root and root hair development, shoot and leaf growth as well as pollination and fruit set. Rich source of proteins, vitamins, amino- and organic acids, polysaccharides, and mineral compounds.	
<b>Ukelp Ecklonia Maxima Seaweed</b>	Growth hormones, Vitamines, Minerals, Aamino acids	Multiple micronutrients, Betamines, Phytohormones.
<b>Fulvic Acid</b>	Contains organic acids which are natural chelating agents improving the uptake of fertilisers, releasing confined nutrients and facilitating nutrient assimilation.	
<b>Aloe Gel</b>	Enhances plant immune system, and intercellular communication. Systemic acquired resistance (SAR) and Induced systemic resistance (ISR) support. High in salicylic acid, acemannan and saponin (assists Calcium uptake)	
<b>Citric Acid</b>	Preserve, acidify and improve Krebs Cycle.	

### INSTRUCTIONS FOR USE:

#### SOILS:

5 to 10 L/ha.

*Weekly, bi-weekly or monthly, as required.*

#### SPOT-SPRAYING:

1:10 ratio with water.

*Apply as required.*

### CHEMICAL ANALYSIS:

<b>Total Nitrogen (N):</b>	11.11 g/L
<b>Phosphorus (P):</b>	1 295.37 mg/L
<b>Potassium (K):</b>	1 882.23 mg/L
<b>Sulfur (S):</b>	5 303.52 mg/L

#### WARNINGS:

Do not store product in direct sunlight.

Store at room temperature.

Consult the supplier in the event of any uncertainty.

Keep away from children, unformed people, animals and foodstuffs.

Use only as directed.

#### PRECAUTIONARY STATEMENTS:

Wash hands thoroughly after handling.

If skin irritation occurs: Get medical attention.

*IF IN EYES:*

Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

If eye irritation persists: Get medical advice/attention.
